Nothing is fixed: the cushion is loose — it sits on the mattress and leans back on the parchment. The frame's head stands 1 in off the plaster. Wax the plaster behind the cushion so it does not scuff.

NOTES

REVISION 2

The bed in the owner's photo, sized to the 6 ft x 6 ft 6 in mattress:
a low dark-wood platform — a 4 in rail with a 1 in lip, on five turned bun feet. No headboard (owner): a long white cushion along the back, the mattress's width, leaning on the parchment. Proportions read off the photos; mattress thickness ASSUMED until the mattress is chosen. Frame in solid teak, polished dark to sit with the Dark Olive wall. Cushion: cream textured weave, piped, as the owner's photo.
