HEADBOARD LEFT

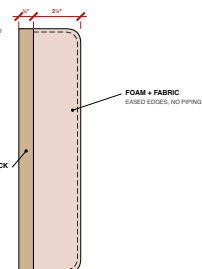

HEADBOARD AT THE TOP - SLATS DASHED

ELEVATION

SECTION

The headboard bolts to the frame's head rail on two hidden steel brackets — it does not touch the plaster (1 in clear) and never hangs off it.

REVISION 1

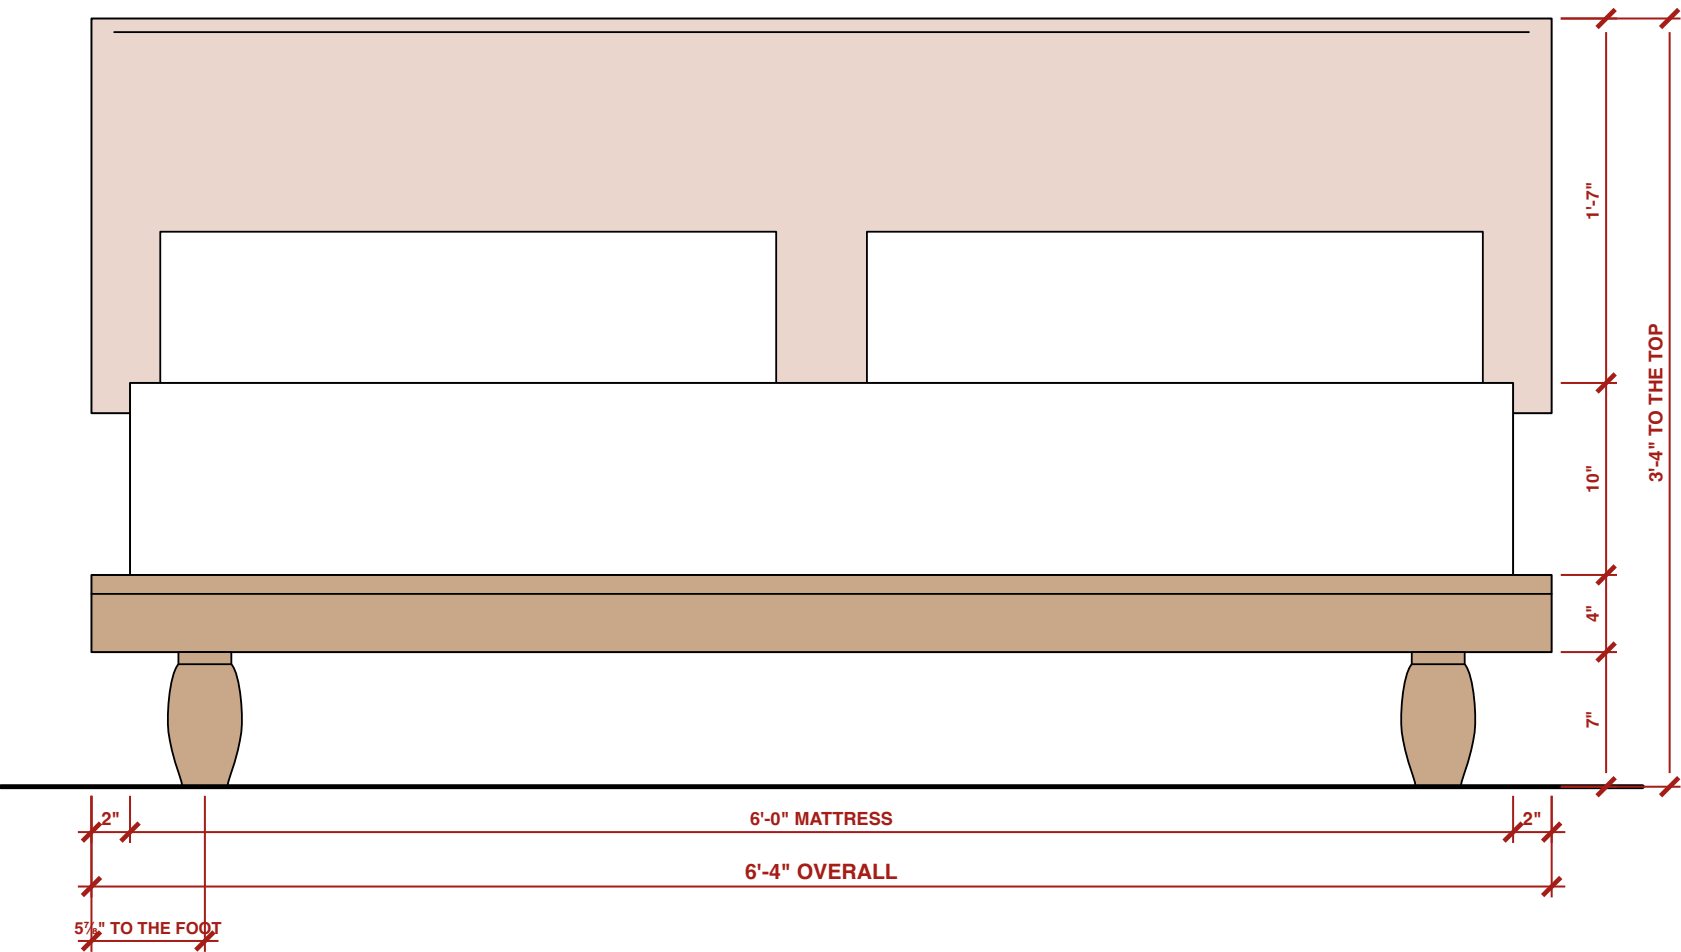

The bed in the owner's photo, sized to the 6 ft x 6 ft in mattress:
a low dark-wood platform — 4 in rail with a 1 in lip, on five turned
bun feet — and a slim upholstered headboard, plain, the frame's width.
Proportions read off the photo. Mattress thickness and the headboard
height are ASSUMED until the mattress is chosen.
Frame in solid teak, polished dark to sit with the Dark Diva veil.
Headboard fabric to choose (the photo's is a dusty-rose suede).
