NOTES

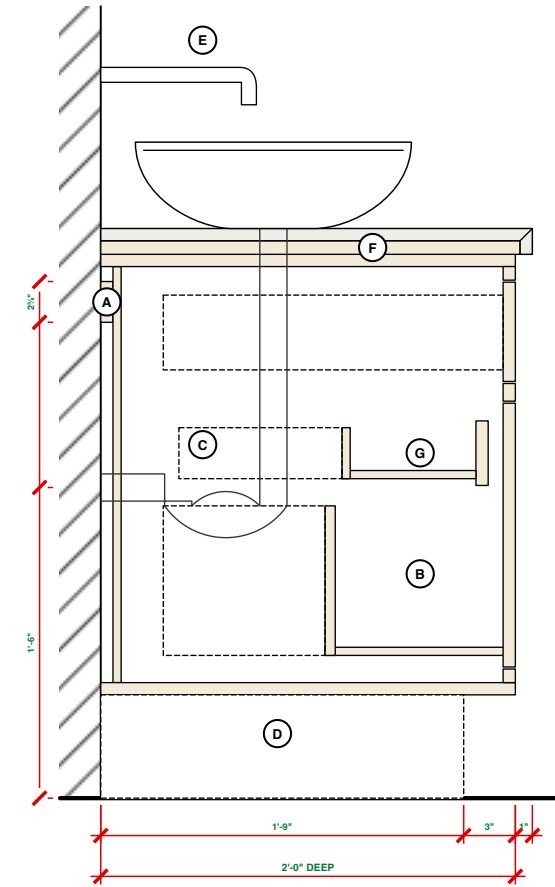

REVISION 1

Taking 1 ft off the left moves the marble's centre 6 in right — onto the faucet. Bowl, drawer split and support all sit on that one line. The top drawers split on it, so the waste drops between them: only the big one is a U.

OPEN — bowl Ø1'-4" x 5" and the spout are assumed.  
With the bowl on a 2'-9" counter its rim is at 3'-2".  
OPEN — the support's design: reference photos to come.
